

OUR FAIR PRICING POLICY:

For the past 24 years, we have always kept our prices fair value by comparing prices set by other restaurants within the local area. Recent post pandemic price increases of poultry, fuel and utility costs have had a major impact on our overheads – most notably from rising inflation (9%) and impact from the Ukraine war. Hence, it was necessary for us to raise our prices in keeping with changed circumstances. In spite of this, we have endeavoured in keeping our prices fair.

For example - we highly recommend our set meals as your best valued meal starting at £27.50 per person (pp) which includes starters, a 2nd course of aromatic duck and a variety of popular main course choices including free coffees. By comparison, a single fish dish or steak alone from a typical western restaurant will set you back £25 - £30, some do not even include sides. Ours are much better value.

Equally, a single portion of a typical takeaway meal of large cod and chips alone from your local chippy at present will set you back £12 - £14, so our range of main course(s) including a rice averages around £15 thus represent tremendous value.

The Ming Wah has been serving good Chinese food for years and we are always busy – a testament to our fair pricing and good value policy. Do enjoy our hospitality. Bon appetit.

Thank you for dining with us.

OUR RECOMMENDATION:

In a typical western style restaurant, a single fish or steak dish alone could set you back £25 to £30, so why not try our set dinners for best value.

Our set dinners star t from only £27.50 per person (pp) and includes all starters, a 2nd course of Aromatic Duck, a variety of choices of popular main courses and free coffees.

If you prefer set dinners but with a specific budget in mind, talk to us and we will be happy to design a menu for you.
